

Shatheeth Askar Al-Harabi for Trading

Overview

Shatheeth Askar Al-Harabi (SAAH) for Trading is an integrated business enterprise that develops and operates businesses across virtually every industry including Oil and Gas, Petrochemicals, Power Generation, Infrastructure and Industrial constructions, Metals, Machinery, Chemicals, Oil field services and Telecommunication. SAAH's current activities are expanding far beyond its traditional trading operations as its diverse business ranges from natural resources development to investment in retail business, infrastructure and trading of industrial goods. SAAH has emerged as one of the most respected General Trading companies inside the Kingdom. In a region where industrial development is crucial to economic prosperity, SAAH has earned the confidence and respect of governmental departments and multinational organizations through achieving exceptional high standards of service. SAAH has established alliance agreements with companies that supply expertise, services and materials/equipment for the international market.

Our culture is grounded in service, quality and efficiency SAAH is associated with more than 50 companies located in side KSA. This growing list includes international integrated majors, national oil and gas companies, independent producers, refiners, marketers, oil and gas pipelines, electricity and gas utilities, major industrials, trading companies and government agencies and has supported many major projects and deals across the country.
